Datasheet Stepline Indoor / Outdoor

Rib profile	trapezoid form 18/11 mm, length 270 mm, height 4 mm
Stud profile	Ø 30 mm with trapezoid-shaped stud 25/20 mm, 4 mm high
Transfer	by templates
Surface	rough and dirty-unfriendly
Colour Standard	black and light-grey, colours on inquiry
Material	plastic-grouting, freely of issue
Hardness	high resistant
Bonding	Primer as a medium for the optimum bonding viscous elastic adhesive tape High security bonding for surfaces also for hard use
Qualities	resistant to ageing steady level of the connecting firmness Tenderizer permanence very well Rice stretch 1000% Temperature permanence in the long term 70°C Adhesive strength approx. 40 N / cm ² Water resistance and chlorine water resistance resistant to chemical static mole firmness very well very high beginning adhesive strength
